- 3.5. References to any Party shall, unless otherwise stated, be construed to include that Party's respective successors in title and permitted assignees.

4. CREATION OF CHARGE IN BANK ACCOUNT

- 4.1. As continuing security for the payment or discharge of the Secured Obligations, the Chargor with full title to the Bank Account hereby pledges to the Chargee all rights, title and interest in and to the Bank Account (including both present and future credit balances, any interests accrued thereon and commission payable thereon).
- 4.2. Without prejudice to clause 4.5 (negative pledge), any Security Interest created in the future by the Chargor over the Bank Account (except those in favour of the Chargee) shall be expressed to be subject to this Agreement and shall rank in order of priority behind the Charge.
- 4.3. If the Membership Agreement for any reason terminates or expires, the Bank Account shall only be released from the Charge upon the written instruction of the Chargee, following the Chargor's

written request and after all Secured Obligations (at the expense of the Chargor) have been fully and unconditionally paid or discharged to the Chargee (or, if contingent, have wholly ceased to be capable of arising) and after the Chargor has become entitled under the Clearing Rules to request the release of the Bank Account.

- 4.4. The Chargor shall, forthwith on the execution of this Agreement, deliver a signed notice of charge to the Account Bank in the form set out in Schedule 1 of this Agreement and obtain from the Account Bank and deliver to the Chargee an acknowledgement duly signed on behalf of the Account Bank in the form of acknowledgement set out Schedule 1 (or such substantially similar notice or acknowledgement as the Chargee may otherwise in its sole discretion accept). The Chargor may not change or attempt to change the terms of the notice without the prior written consent of the Chargee in each case. In addition, the Chargor as the account holder hereby authorises (*bevollmächtigt*) the Chargee to notify (*Verpfändungsanzeige*) the Account Bank pursuant to, and in accordance with, section 1280 of the German Civil Code (*Bürgerliches Gesetzbuch*), and, if necessary, any other relevant third person, of this Agreement and the pledges constituted thereunder (including, for the avoidance of doubt, by means of forwarding a copy of this Agreement to the relevant Account Bank and/or other relevant third person).
- 4.5. The Chargor shall not, without the prior written consent of the Chargee:
 - (a) create, agree or attempt to create, or permit to subsist, any Security Interest in the Bank Account, or permit any lien (other than a lien arising by operation of law in the ordinary course of the Chargor's business) to arise or subsist over the Bank Account; or
 - (b) sell, transfer or otherwise dispose of the Bank Account or any of its right, title or interest therein (including closing the Bank Account or changing its designation or any of its properties).
- 4.6. The Parties acknowledge and intend that the security provided under this Agreement shall constitute a "security financial collateral arrangement" and form part of the same arrangements as the Clearing Rules for the purposes of the Financial Collateral Directive.
- 4.7. The Chargor declares the creation of the Charge as set out above to be in its best corporate interest.

5. OPERATION OF THE BANK ACCOUNT

- 5.1. In accordance with the notice sent by Chargor to the Account Bank pursuant to clause 4.4, the Parties have agreed that, amongst other things and without prejudice to any other rights and obligations under this Agreement:
 - (a) The Bank Account shall be established and maintained at the expense of the Chargor as a blocked, segregated account with the Account Bank.
 - (b) No money may be withdrawn from the Bank Account except on the express instructions of the Chargee in each case.
 - (c) The Chargee shall at all times be entitled and authorised to request the balance of the Bank Account directly from the Account Bank without informing the Chargor thereof.
- 5.2. The Chargor may, if it chooses, request the Chargee to permit a transfer of any amount of Excess Collateral from the Bank Account to such account as it may designate for that purpose. The Chargee will have a discretion in each case whether or not to permit such a transfer, taking into account (but without prejudice to clause 10 (Determinations and Discretions)) among other things the fulfilment or otherwise of the following pre-conditions:
 - (a) the internal risk-rating of the Chargor with the Chargee is such that it is sufficient to justify the return of Excess Collateral;
 - (b) after the Excess Collateral is so transferred, the Chargor will have provided sufficient Collateral in order to continue to comply with any Collateral Calls applicable to the Chargor's

accounts (including its client accounts) at the level required to comply with the Clearing Rules;

- (c) the Chargor has no outstanding payment obligations to the Chargee or any outstanding Secured Obligations;
- (d) the Chargee considers that the Chargor's expected Collateral Calls for the next three Banking Days are not likely to be materially different from those during the prior three Banking Days; and/or
- (e) no Event of Default has occurred in relation to the Chargor and is continuing.

6. EFFECTIVENESS OF SECURITY

- 6.1. This Agreement shall be a continuing security for the Chargee, notwithstanding any intermediate payments or settlements of accounts or other matters whatever. It shall be in addition to and shall not prejudice or be prejudiced by any right of set-off, lien, pledge or other rights exercisable by the Chargee against the Chargor or any security, guarantee or indemnity now or in the future held by the Chargee.
- 6.2. Upon the occurrence of an Event of Default and after the requirements set forth in sections 1273 et seq., 1204 et seq. and 1228 subsection 2 of the German Commercial Code ("BGB") with regard to the enforcement of the pledges are met (Pfandreife) and the Secured Liabilities have become due and payable in whole or in part by operation of law in the event of the opening of insolvency proceedings of the Chargor (an "Enforcement Event"), the Chargee shall be entitled to realise (verwerten) the pledges (wholly or partly) and to avail itself of all other rights and remedies a pledgee is entitled to under the laws of Germany. The Chargee shall be entitled to exercise their rights without obtaining enforceable judgment or other instrument (vollstreckbarer Titel). The provisions of sections 1277 and 1282 para. 2 BGB shall not apply
- 6.3. The Chargee shall notify the Chargor at least 5 (five) Business Days (which notification can be effected simultaneously with the notice of an event of default). No further notice or other requirements (including those set forth in section 1234 BGB) shall be necessary. Prior notice shall not be necessary if such notice would be inappropriate (untunlich), in particular if:
 - a. the Account has generally ceased to effect payments (Zahlungseinstellung) or has otherwise become insolvent;
 - b. a non-abusive (nicht rechtsmißbräuchlich) application for the opening of insolvency proceedings (Insolvenzantrag) (or any analogous proceeding in any jurisdiction) over the assets of the Chargor has been made by the Chargor or any of its creditors;
 - c. insolvency proceedings have been opened (Eröffnung eines Insolvenzverfahrens) against the Chargor;
 - d. similar proceedings under applicable laws have been opened in relation to the Chargor; or
 - e. The Chargee has reasonable grounds to believe that observance of the notice period would adversely affect the legitimate interests (berechtigzte Interessen) of the Chargee under or in connection with any of the Secured Liabilities.
- 6.4. The taking of enforcement action by the Chargee on or after the occurrence of any event referred to in paragraph (a) or (b) above shall not preclude the Chargee from taking further enforcement action on the occurrence of any other such event or events.
- 6.5. The Chargee may, at any time after the security constituted by this Agreement has become enforceable apply it in or towards the discharge of the Secured Obligations in such manner as the Chargee may determine.

7. POWERS OF THE CHARGE

- 7.1. In addition to its powers under the Clearing Rules and the Membership Agreement, the Chargee shall be entitled at its discretion without notice to the Chargor:
- (a) to debit the balance in in the Bank Account to cover any Secured Obligations then due without any advance notice to the Chargor and without any legal or other steps being necessary in order to verify or confirm its entitlements;
 - (b) to execute and deliver such documents and give such instructions as may be required to give effect to this Agreement, including instructions for the withdrawal and/or use of any money in the Bank Account to purchase any currency or currencies required to effect such application; and/or
 - (c) to transfer or procure the transfer of any money in the Bank Account into one or more accounts in the name of the Chargee or an entity nominated by the Chargee; and/or
 - (d) to place and keep for such time as it may think prudent any money received, recovered or realised under or by virtue of this Agreement on a separate or suspense account to the credit of the Chargee or an entity nominated by the Chargee, without any intermediate obligation on its part to apply the same or any part of it in or towards the discharge of the Secured Obligations.
- 7.2. The powers contained in clause 7.1 paragraphs (a) to (d) above shall be exercisable by the Chargee at any time or times in accordance with clause 6.2 without the necessity for any other event having occurred first or any other condition having been fulfilled first. If and whenever such security becomes enforceable, the Chargee may exercise its powers under this Agreement in such manner and at such time or times as it thinks fit.
- 7.3. All money received or realised under the powers conferred by this Agreement shall be applied for the purposes and in the order of priority determined by the Chargee (consistent with the Clearing Rules).

8. PROTECTION OF THE CHARGE

- 8.1. The Chargee shall not be liable to the Chargor for any liability (which term for the purposes of this clause 8.1 includes any liability, damage, loss, cost, claim or expense of any kind or nature, whether direct, indirect, special, consequential or otherwise) which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise, any of the Chargee's powers under this Agreement, except if and insofar as such liability results from its own proven negligence, wilful default or fraud. The Chargor shall indemnify the Chargee fully against all such liabilities which the Chargee may incur in consequence of anything done or purported to be done by or on behalf of the Chargee under or in connection with this Agreement or in exercise of any rights or powers conferred on the Chargee by this Agreement, except if and insofar as any such liability results from the Chargee's own proven negligence, wilful default or fraud.
- 8.2. The Chargee shall not be liable for any loss sustained by the Chargor in consequence of the exercise of the Chargee's rights under this Agreement, including any loss of interest caused by the determination before maturity of any deposit comprised in the Bank Account or by the fluctuation in any exchange rate at which currency may be bought or sold by the Chargee.
- 8.3. The Chargor shall reimburse or pay to the Chargee on demand (on the basis of a full indemnity) the amount of all costs and expenses (including legal costs and VAT thereon) incurred by the Chargee in connection with the exercise, or the attempted or purported exercise, by or on behalf of the Chargee of any of its powers under this Agreement or any other action taken by or on behalf of the Chargee with a view to or in connection with the recovery of the Secured Obligations, the realisation of the charges contained in this Agreement, the preservation of the Bank Account or any other purpose contemplated in this Agreement.

9. REPRESENTATIONS AND WARRANTIES

- 9.1. The Chargor represents and warrants to the Chargee that:
- (a) the Chargor has the corporate power, and has taken all necessary action, to execute and perform this Agreement;
 - (b) this Agreement constitutes legal, valid and binding obligations enforceable against the Chargor and creates the Security Interests expressed to be created by this Agreement;
 - (c) the Chargor has obtained all authorisations of any governmental or regulatory body required in connection with the execution and performance of this Agreement and such authorisations are in full force and effect;
 - (d) the execution and performance of this Agreement has not, and will not, violate any law or rule applicable to the Chargor or any agreement by which it is bound or by which any of its assets are affected;
 - (e) at the time of transfer of cash to the Account Bank, the Chargor was or will be the full beneficial owner of them and, upon such transfer being effected, all right, title and interest in and to them shall stand charged to the Chargee with full title guarantee, free of any Security Interest in favour of any third party,
 - (f) the Chargor as the account holder is the sole legal holder of (each of) the Bank Account(s) (*Kontoinhaber*) and none of the Bank Account(s) and the rights and claims pledged under Clause 4 above of this Agreement has been transferred to or encumbered for the benefit of any third person or is subject to any other rights of third parties[, except for any right of pledge arising under the general business conditions (*Allgemeine Geschäftsbedingungen*) of the Account Bank]
- 9.2. On each day on which a transfer referred to in clause 9.1 (e) is effected, all the representations and warranties stated in clause 9.1 shall be deemed to be repeated.

10. DETERMINATIONS AND DISCRETIONS

- 10.1. Any certification or determination by the Chargee of a rate or amount under this Agreement shall, in the absence of manifest error, be conclusive and binding on the Chargor in respect of such rate or amount.
- 10.2. Any discretion, power or right conferred on the Chargee by this Agreement to make or vary any determination or to give any approval or to decide any matter or to form any opinion or judgement shall be construed to be a discretion, power or right exercisable by the Chargee, in its sole and unfettered discretion, at any time and from time to time.

11. DISCHARGE

- 11.1. Any settlement or discharge between the Chargee and the Chargor in respect of the Secured Obligations shall be subject to the condition that no security or payment to the Chargee by the Chargor or any other person shall be avoided or reduced by virtue of insolvency law or otherwise.
- 11.2. If any such security or payment shall be so avoided or reduced, the Chargee shall nevertheless be entitled to recover the full value or amount of it subsequently from the Chargor and to exercise its rights under this security as if such settlement or discharge had not been effected.

12. CURRENCY CONVERSION

Without prejudice to the terms of the Clearing Rules the Chargee may convert for the purpose of, or pending the discharge of, any of the Secured Obligations, any money received, recovered or

realised or subject to application by it under this Agreement from one currency to another, as the Chargee (acting reasonably) may think fit and any such conversion shall be effected at the Chargee's spot rate of exchange for the time being for obtaining such other currency with the first currency.

13. FORBEARANCE, SEVERABILITY, VARIATION, REGISTRATION

- 13.1. No failure to exercise and no delay on the part of the Chargee in exercising any right, remedy, power or privilege under this Agreement and no course of dealing between the Parties shall be construed or operate as a waiver of that right, remedy, power or privilege, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of it or the exercise of any other right, remedy, power or privilege.
- 13.2. The rights and remedies provided by this Agreement are cumulative and are not exclusive of any rights or remedies provided by law.
- 13.3. If any provision of this Agreement is held to be illegal, invalid or unenforceable in whole or in part, this Agreement shall continue to be valid as to its other provisions and the remainder of the affected provision and the illegal, invalid or unenforceable provision shall – if permitted by the laws of the Applicable Jurisdiction – be construed, interpreted or replaced so as to create an arrangement which in effect gives the most similar result to that of the original provision in the applicable situation whilst being legal, valid and enforceable, and the Parties shall be deemed to have intended and agreed on such an arrangement originally.
- 13.4. No variation, supplement, deletion or replacement of or from this Agreement or any of its terms shall be effective unless made in writing and signed by a duly authorised representative on behalf of each party.
- 13.5. The Chargee may, without reference to the Chargor, take any step to register this Agreement with any registry or governmental authority in any jurisdiction, including registering this Agreement against the Chargor at the companies registry in the Applicable Jurisdiction and/or such other similar registration as the Chargor's home jurisdiction may require.

14. DEMANDS, NOTICES, ETC

Unless as specifically set out in this Agreement or provided for in the Rulebook, any demand or notice to the Chargor under this Agreement shall be effective only if made in writing by an officer of the Chargee and communicated to the Chargor in accordance with the Rulebook.

15. THIRD PARTY RIGHTS

- 15.1. Save as otherwise expressly provided herein, no person other than a party to this Agreement shall have any rights arising out of this Agreement. The Chargee and the Chargor may by agreement vary any term of this Agreement in accordance with clause 13.4 without the necessity of obtaining any consent from any third party.
- 15.2. No person (other than the Chargor) dealing with the Chargee shall be concerned to enquire whether any of the powers it has exercised or purported to exercise under this Agreement has arisen or become exercisable, or whether the Secured Obligations remain outstanding, or whether any event or cause has happened to authorise the Chargee to act or as to the propriety or validity of the exercise or purported exercise of any such power.

16. GOVERNING LAW AND JURISDICTION

- 16.1. This Agreement and all non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of the Applicable Jurisdiction.
- 16.2. The courts of the Applicable Jurisdiction shall have exclusive jurisdiction to settle any claim, dispute or difference which may arise out of or in connection with this Agreement. The Parties

agree that any evidence may be submitted in the English language to the extent permitted by the laws of the Applicable Jurisdiction and the applicable court.

16.3. Clause 16.2 shall not limit the right of the Chargee to take proceedings against the Chargor in any other court of competent jurisdiction nor shall the taking of proceedings in one or more jurisdictions preclude the taking of proceedings by the Chargee in any other jurisdiction, whether concurrently or otherwise.

16.4. The Chargor irrevocably waives any objections on the ground of venue or inconvenient forum or any similar grounds and irrevocably agrees that any judgment in any proceedings brought in any court referred to in this clause 16 shall be conclusive and binding and may be enforced in any other jurisdiction.

THIS AGREEMENT has been executed by the Parties and shall take effect on the date stated in the beginning hereof.

This Agreement has been made in two (2) originals, and each Party keeps one (1).
